

MBK Tape Solutions Hires a Certified Quality Manager

July 2017 - MBK Tape Solutions is pleased to announce the hiring of Jaymin Chauhan for the Quality Manager position. Jaymin is currently finishing up his Master degree in Manufacturing System Engineering & Quality Management at California State University in Northridge, California. MBK is thrilled to have a Certified Lean and Six Sigma Quality Control Manager join the team.

Jaymin earned his degree in Mechanical Engineering in India and then worked for four years as a Production Engineer- Team Leader in South Korea. To further his career, he applied to CSUN for a master's degree and was accepted. At an On-Campus Job Fair, MBK scheduled an interview and hired him as an intern for the Quality Manager position at MBK. Jaymin's primary role will be overseeing all aspects of Quality Control at MBK as well as implementing Lean Manufacturing and assuring good work flow at the new headquarters.

This experience is a win-win experience for all. MBK gains a qualified quality manager while exposing Jaymen to the manufacturing world in the United States.
