Stay Connected

Greetings!

This year is coming to a close and we've been super busy and blessed!

Thank you for your business and partnership.

Wishing you a happy, healthy and safe holiday season.

MBK Celebrates 45 Years & Plans for the Future

After 45 year's in operation, MBK is positioning itself for sustained growth in the world markets. We continue to improve operations, expand our space and update our equipment, software and certification. Below are some of the highlights from 2016:

- Increased our Clean-room manufacturing to 3 Class 100K (ISO 8) clean rooms.
- Refurbished and updated slitting and laminating equipment.
- Have a fully functional prototype laser cutter for quick turnaround of parts.
- Providing detailed documentation using Optical Quality Measuring Equipment.
- Implemented 5S and Lean Manufacturing in our production facility.
- Transitioning software operating system to increase productivity and quality assurance to new levels.
- Currently, upgrading our ISO 9001:2008 certification to ISO 9000:2015.

Featured Products

Long-Term Wear Adhesive Tape Products for the Wearable Market

Wearable Tape Products

MBK has several adhesive transfers, woven and non-woven tapes that hold devices securely on the skin for more than 10 days and can be removed gently, without causing skin trauma. Knowing what combination of pressure sensitive medical-grade adhesives and flexible materials work well together, the MBK team will design and convert the materials to whatever configuration best meets your requirements.

MBK has strategic partnerships with 3M Medical, Vancive Medical, Adhesives Research, Mactac and Berry Plastics to bring the best Medical Tapes to the market.

Tesa Partnership

great to work with

This past year, MBK was selected by Tesa as a partner converter in their UPP Unique Partner Program. MBK continues to grow with Tesa and this partnership

strengthens our ability to bring the best Tesa products to our customers and expand our array of tape solutions.

Watch for the Tesa - MBK partnership video, coming out in January 2017. The video will be featuring Double Sided Polyester Tape #4965, used for mounting and bonding applications in almost every industry.

The New Responsive MBK

Website

[The new MBK Responsive Website](#) is user-friendly and ensures an informative experience on any mobile device or PC/MAC based platform. The layout provides multiple ways to navigate the website and find information quickly.

[Check out the extensive on-line product catalog.](#) Using the faceted search filters, your requirements are instantly matched with the best adhesive tape products, which in turn, helps you make informed decisions when buying a tape product and converting service.

Employee Corner

MBK welcomes Brandon Stevens to our sales team. He comes with experience from Avery and is quickly learning the converting business. Southern California customers - you can't miss him coming thru your doors! He is tall with an infectious smile.

Brandon Stevens

Contact the MBK Sales Team

In addition, we added Rosie Davila, an AR specialist, to the accounting

Rosey Davila

department. She is an outstanding asset and brings charm and humor. Madison Camp, a part time office worker, is extremely helpful and enthusiastic. In production and packaging, we have added 3 new employees to help with our increased demand.

Being a family business, we like to see our employees develop and grow. After 10 years with MBK, Carlos Amesquita was promoted from customer service representative to inside sales. We also promoted Jesus Canales from lead press operator to customer service. Ally Mendez has taken on a new role as Junior Purchasing agent and is quickly learning her new role, while continuing being an asset where ever needed in the office.

We feel very fortunate having a devoted work force, many being part of the MBK family for over 20 years. Thank you all for your continued loyalty and passion for the tape world.

In observance of the holidays and the new year, MBK will be closed December 23, 26, 30 and January 2.

We appreciate the confidence you have placed with MBK Tape Solutions and the opportunity to build a relationship with you.

We wish you and your family all the best this holiday season and the coming year.

Warm wishes,

The
MBK
Team

About MBK

MBK Tape Solutions is a global leader in the tape converting industry.
