QUALITY ASSURANCE

Being Our Best

MBK is committed to quality products, consistency, fast turn-around times, competitive pricing, customer satisfaction and compliance with requirements. We recently hired a Quality Manager to oversee all aspects of quality control at MBK and to help improve our 5S Lean Manufacturing process and ensure that we meet the new ISO 9001:2015 requirements. We are preparing for even greater success in the future.

MBK MOVES LOCATIONS

Scheduled for September 2017

To accommodate our growing business, MBK is moving to larger headquarters. The new facility is nearly double in capacity of our current location and will house a new state-of-the-art ISO Class 8 clean-room. The NEW location is literally down the street from our current location at 9959 Canoga Avenue, Chatsworth, California. We are very excited about the move and hope you will stop by and visit. Details to follow.

CUSTOMER SERVICE

Our Biggest Asset

As MBK grows, we have added new faces, new equipment and soon a new building. Yet, through all our growth, one thing has been paramount and hasn't changed - MBK delivers the best customer service in the converting industry. With well over 150 years of combined years of experience, our sales and customer service team have the expertise to manage the toughest challenges day in and day out. By listening and asking the right questions, we assure that our customer's needs are met. After 45 years in business, we have earned the stellar reputation of excellent customer service, quality die cut parts and products, innovative cost-effective solutions and integrity.

Contact MBK specialists to help you find the right material for your application and help you grow your business.
