Season's Greetings!

As 2019 comes to a close, we want to thank all of our customers and vendors for working with MBK and making it a banner year of growth.

Growth comes with challenges, and our team worked together to create innovative solutions. We updated our software system, bought new converting equipment, reorganized our workforce and added a second shift of machine operators and packagers.

What this means to our customers - we kept jobs rolling off the presses and did our best to deliver quality products on time. Your success is our success!

Thank you for your business and sticking with MBK.

Medical Devices & Wearables

Cleanroom Manufacturing & Packaging

To meet FDA requirements for fabricating adhesives, films, foams and other specialty materials into component parts and finished products, MBK added state-of-the-art equipment to our certified ISO Class 8 Cleanroom, plus built two additional portable clean rooms that can be used as needed throughout the factory.

Spotlight on Medical Devices & Wearables

This year, we saw major growth in medical devices, wearables and the personal care products. Our experienced team of engineers and customer support helped manage the process from concept to full scale production. Not only did we help cut manufacturing costs, but helped design innovative products. We just love the challenge!

Technology Updates

Software Updates

After 24 years, it was time to update the software operating system. You can imagine all the data and time it took to re-enter and re-learn the new system. In addition, we upgraded the Windows Operating System to maintain security, safety and reliability. Where would we be without technology and a dedicated work force! Many thanks to all our employees for a job well done.

MBK Oganizational Changes

Reflecting on this past year, we've made lots of changes to the MBK organization. We reorganized departments, moved personnel and hired lots of new employees. Many thanks to our managers and human resource department who worked in overdrive to implement all the personnel changes. To learn more about the changes, read the [MBK Blog](#).

***To the entire MBK team**, we thank you for your hard work and dedication. Its been a challenging year and we appreciate all that you've done to make this year successful.
